

Online Professional Courses class profile 2025*

Our online professional courses allow you to gain a new qualification in as little as 13 weeks. You can develop industry-relevant skills and knowledge by choosing from over 60 modules across our business, health, computing, education, criminology, law and psychology portfolios to study as standalone qualifications. What's more, our online professional courses are also accredited by The CPD Certification Service, which provides independent accreditation used to formally record CPD learning.
